[Crystals IF=2.144] Invitation to Contribute to Special Issue "Single Crystals for Biomedical Applications"

## Invitation Letter

Dear Colleagues

We are organizing a special issue that may be of interest to you. As **\*Guest Editor\***, I cordially invite you to submit a manuscript for consideration and possible publication in a special issue on "Single Crystals for Biomedical Applications" to be published in *\*Crystals\** (<http://www.mdpi.com/journal/crystals>).

Detailed information about this Special Issue can be found here:

[https://www.mdpi.com/journal/crystals/special\\_issues/single\\_crystals\\_biomedical](https://www.mdpi.com/journal/crystals/special_issues/single_crystals_biomedical)

The submission deadline is *\*30 June 2019\**. You may send your manuscript now or up until the deadline. We also could move your paper into this Special Issue if you would like to submit after the deadline. Submitted papers should not be under consideration for publication elsewhere. We also encourage authors to send a short abstract or tentative title to the Editorial Office in advance ([crystals@mdpi.com](mailto:crystals@mdpi.com) or [fannie.xu@mdpi.com](mailto:fannie.xu@mdpi.com))

The feature of */Crystals/* (ISSN 2073-4352, <http://www.mdpi.com/journal/crystals>) is as follows:

- 
1. An Open Access journal covers all aspects of crystalline material research;
  2. Indexed by SCIE, EI, Scopus, and gets high visibility;
  3. The 2017 impact factor is 2.144;
  4. Manuscripts are peer-reviewed and a first decision provided to authors approximately 16 days after submission.
- 

Please let me know if you and your colleagues are interested in submitting a manuscript for this special issue.

Thank you and looking forward to hearing from you.

**Prof. Dr. Ioannis G. Valais**

Guest Editor
